

## EDUCATORS: *Listen up!*

Educators like you tell us that they want Quality Sound so that your students can compete successfully in today's schools. You want an instrument sturdy enough to be played by many students and moved on/off campus. Here's what *marimba one*® is doing to take care your needs:

- every marimba -- resonators and bars -- is individually built and customized in California
- most rigid frame on the market
- free bar replacement for 1 year (you keep the old bars)

At \$13,600, the *marimba one Izzy* with Traditional keyboard voicing and Classic resonator voicing is more musical than any other instrument.

- ★ We offer a fiscal payment plan for schools:  
60% plus shipping, net 30, balance due in the next fiscal year.

Get *marimba one Izzy* for **\$8,460**. Interest free.  
Balance of 5,640 next year. SHIPPING INCLUDED
